

SECURE OFFSITE STORAGE (S.O.S.)

Unsurpassed data backup to protect your business

Protect Your Clients and Your Business

Secure Offsite Storage (S.O.S.) enables you to automatically backup tax returns and associated taxpayer documents to the CrossLink Central Site storage servers. Because your data is located in a fully redundant, carrier-grade offsite data center that utilizes state-of-the-art security and data backup technologies, the quality and integrity of the stored data is unsurpassed.

Fully Integrated with CrossLink

- ✓ Backup returns and documents directly from the software
- ✓ Retrieve returns and documents directly on demand
- ✓ No third-party software required

Improve Office Efficiency

- ✓ Browse stored tax returns and documents prior to retrieval with Version Control
- ✓ Eliminate the need to store printed returns and documentation in file cabinets or other physical storage solution
- ✓ No staff training on third-party backup solutions required

Unparalleled Security

- ✓ Data is stored in fully redundant carrier-grade data centers
- ✓ No risk of loss due to flood, fire, theft, computer failure, or accidental loss
- ✓ Returns and documents are backed up for 3 years

CrossLink S.O.S. is a cost-effective pay-per-return solution available to all CrossLink customers.
